

Old pair can't save Reserves

**Wealdstone Reserves 1,
Wycombe Reserves 0.**

A COUPLE of old faces could be seen playing for Wycombe Reserves when they visited Wealdstone Reserves for a Suburban League match on Saturday.

John Maskell, now the manager of the reserves, made his debut for the team in goal when Chris Way was promoted to the first team. In front of Maskell was another Blues veteran Ian Rundle, in the heart of the defence.

But despite the presence of this experienced pair Wycombe fell to their se-

cond defeat in succession. A goal in the 51st minute clinched both points for Wealdstone when the unmarked Clayton headed home from close range.

Wycombe had come close to scoring in the early stages, but a move which involved Jacobs, Howard and West eventually petered out. But Wealdstone had their moments, forcing Maskell to make several fine saves.

Wycombe could have equalised soon after they went behind, but there was no-one in the middle to meet Stanmore's cross.

WYCOMBE: J. Maskell, T. Lee, D. Daley, I. Rundle, G. Fowles, I. Howard, S. Toll, J. Jacobs, P. West, K. Stansbridge (sub Clarke 83 mins), G. Stanmore, G. Collier.
